PORTUS
360 

Our cheffe

Helena Loureiro

It is with great pleasure that I welcome you to my table at Restaurant Portus360.

I have carefully selected the best Quebec products for the composition of this menu, which I would like to dedicate to passionate artisans from here in harmony with Portuguese wine producers.

Sometimes a trip, a meeting, a new, little-known or forgotten product can open the door to endless explorations of textures and flavors.

This tasting menu is a great way to go on an adventure and let yourself be surprised. This is available in several services, depending on your appetite.
